PRIMEXCHANGE 2011

The aim of PRIMEXCHANGE is to initiate market exchange and the exchange of ideas between INDIA and EUROPE in the field of film and TV production. In order to develop sustainable cooperation between the two continents, the professional training program is focused on scripts for feature film projects containing exploitation potential on both markets and/or opportunities for collaboration. The workshop is offering trans-national networking issues as well as potential market analysis for film and TV projects from the fields of script analysis, market research, financing/funding, distribution, world sales and games/interactive media, made by Indian and European film industry representatives as well. The workshop is focusing on the evaluation and the presentation of the projects transnational market potential in order to find solutions how to implement co-operations and co-productions between India and Europe.

PRIMEXCHANGE will take place at the end of November 2011 in the framework of GOA FILM BAZAAR in India, organized in cooperation with the National Film Development Corporation of India, NFDC. The selection will be made in collaboration with NFDC and the experts (please find more information at www.primehouse.eu).

Workshop language is English. There is no participation fee. The cost for accommodation in GOA will be covered by the organizers. Travel costs have to be covered by participants.
